# BIOCUIDADOS

SUPPORTING LIFE

## Objectives :

---

- 👉 To encourage the development of life projects for disadvantaged and/or vulnerable people
- 👉 Promote quality care and support in the local environment
- 👉 Mobilise community resources through networking
- 👉 Avoid institutionalisation when it is not desired
- 👉 Encourage people to remain in our rural environment
- 👉 Change the way we look at social services
- 👉 Value diversity
- 👉 Have the opportunity to choose

*Because working in our region gives us a place in the community*

---

## Identity signs :

---

- The person at the centre
- Comprehensive approach integrated into the community
- Principle of autonomy
- Respect for rights and dignity
- Plural and inclusive
- Multidisciplinary team
- Sustainable development in the environment

## Innovative services
